## *New knowledge*

*Any man who has climbed a mountain will tell you,  
The higher the peak the broader the vista.  
As each of us, in his own faltering way,  
Makes that awkward ascent toward  
The summit of Wisdom, the same truth strike us:  
The higher we climb the more we see . . .  
The more there is to see.*

*brings new perspectives*

## *Athletics train a man to see*

*The athlete soon discovers that  
The roads to victory and defeat run parallel:  
Either can lead him to his destination.  
"The virtue lies in the struggle, not the prize."  
He learns that the true victor is not necessarily  
The man who has conquered all his foes,  
But one who has conquered himself,  
Who has learned to draw victory from defeat.*

*life realistically*

*Some insights into life are best cultivated in*

*The magic of personality.  
The importance of sincerity and poise,  
The magnetic value of thoughtfulness and good cheer:  
These lessons are learned more quickly  
In stocking feet at a crowded record hop  
Than between the covers of some dusty tome.  
Amidst the noise and laughter of a friendly evening,  
The mind, like a lucky treasure hunter,  
Gathers up myriad jewels,  
To be sifted and sorted in quieter moments  
And more tranquil surroundings.*

# *Our goal. to see the whole of life in perspective*

*Life, like a yearbook, is made of  
Many parts and impressions.  
It remains for each man to discover the whole.  
If he looks hard enough, searches long enough,  
Wants badly enough, he will find the theme  
Which gives unity and meaning.  
Ultimately, of course, the key is to be found  
In the hands of the Creator:  
Only He can see the plan in its perfection.  
To seek His counsel is to be assured  
Of a share in His magnificent Vision,  
Where every creature is seen in  
Perfect Perspective.*

## SENIORS

*The noiseless font of time steals swiftly by,  
And, ere we dream of manhood, age is nigh.  
— Juvenal.*

*Endowed with a twenty-year legacy  
It remains for them  
To take hold of the future  
And set it in a meaningful*

The Boys' Bowl Classic has long been established as one of the most colorful and exciting events in Detroit high school football. This year's installment was no exception as the Shamrocks clashed with the Central Division powerhouse, Detroit Cathedral. Despite a valiant effort on the field and in the stands, the Shamrocks succumbed to the overpowering Wildcat line. The final score was 27 to 6.

## *Native Detroiter Fr. Gibbons becomes Principal*

**FR. WILLIAM J. GIBBONS, C.S.B**

Fr. William Gibbons, C.S.B., a graduate of Catholic Central High has returned this year to become its Principal. With him he has brought a freshness of spirit and ideals, and an active desire for excellence. Improvements in management, facilities and curriculum reflect his zealous spirit. Assisting and advising him are two other Central graduates long familiar to Shamrock students, Fr. William Stoba, C.S.B. and Fr. Richard Elmer, C.S.B. Together they have forged new plans and projects which will enable Catholic Central to flourish in the future even more than it has in the past.
